

Where're you from and who's your team?

Two teams

siren sounds

bounce down

footy up

there Cazaly

Ntaria

Bulldogs

Western

Utju

Tigers

Richmond

Finals fever as

Electrical tape car decal

Yeperenye shop selling merch

You can't get down south

Alparra

Dockers

Fremantle

Yuelamu

Eagles

West Coast

Sitting standing

family in the crowd

Sitting family

Standing in the crowd

Nyrripi

Demons

Melbourne

Yuendumu

Magpies

Collingwood

Same number of marks

more play ons
more best ons

Same number of minutes but

Tjitikala

Hawks

Hawthorn

Atitjere

Swans

Sydney

Here there's GOATs too
Like here there's Sissy Dunn
Here there's big games too
Like those Melbourne Demons come

Ltyentye Apurte	Saints	St Kilda
Mutitjulu	Cats	Geelong

Huge hangers
on oppositions' back
At Traeger Oval
Just before the gap

Engawala	Crows	Adelaide
Willowra	Blues	Carlton

Waiting perching
counting

down

Final siren jump the boundary

Kick your own Sherrin from the fence.

This poem is dedicated to Magic, number 7. RIP.
